

DevOps - DESTINATION IT vol. 3 programme conducted by Roche Poland and mamopracuj.pl

Thank you for your interest in the DESTINATION IT Vol. 3 program!

Are you at the beginning of your journey into IT? Do you need reinforcement and competence to take the first step? Great! We are now accepting registrations for the free mentoring program, Destination IT Vol. 3.

Please be sure to read the [terms and conditions](#) and check the recruitment criteria before submitting your application.

The program provides a free educational pathway and consists of tracks in:

- Business Analysis
- Data Engineering
- User Experience
- DevOps

Your chosen pathway: DevOps.

Each pathway will require a commitment of approximately 5-10 hours of work per week and consists of the following:

- Individual work (texts, courses, homework, personal projects)
- Collaborating with a mentor/mentee
- Meetings with Roche Informatics experts and managers

The program also includes the opportunity to participate in:

- Workshops on the soft skills necessary for rebranding
- Job search workshop in the IT industry
- Online English language course

The total duration of the program is two to three months. **The program will end no later than April 10, 2025.**

NOTE: the form must be completed in English.
